

## **“HIGH STREET IN THE 1920’s”**

### **EXHIBITION and PRESENTATION**

To coincide with Tutbury’s Platinum Jubilee Street Party in the High Street, the Museum put on a display and talks at the Dog & Partridge Hotel on Saturday 4th June 2022.

The display included photographs, documents and artefacts from the time, including the latest information from the recently released 1921 Census.

A scaled down version of the display is now on show at the Museum.

The exhibition and talks were well received.
